

Newington-Dover 11238Q

June 2019 Update

Recently Completed Work

- Opened permanent Exit 6 NB off ramp
- Opened 3 Northbound lanes between Exit 3 and Exit 6 on the Spaulding Turnpike.
- Pomeroy Cove Path

Opened Permanent Exit 6 NB Off Ramp

On 5/22/19 the old NB off ramp (Original Exit 6W) was closed and traffic was put onto the permanent Exit 6 NB off ramp configuration.

Opened Three Lanes NB

On 5/23/19 a third lane was opened between Exit 3 and Exit 6 on the NB Spaulding Turnpike. This greatly reduced the traffic buildup during the evening rush hour commute.

Pomeroy Cove Path

The walking path is complete and open for use.

Ongoing Work

- Building permanent NB barrel between Exit 6 and the Dover Toll Plaza
- Route 4 roundabout construction at Boston Harbor Rd/Spur Rd
- Temporary Pedestrian Path Construction over the Little Bay Bridge
- Woodbury Ave improvements

Permanent Northbound Barrel

Construction is ongoing for the permanent NB lanes between Exit 6 and the Dover Toll Plaza including the NB Exit 6 on ramp.

Route 4 Roundabout

Phased construction continues for the roundabout at Boston Harbor Rd/Spur Rd.

Spur Rd. Approach

Boston Harbor Rd Approach

Little Bay Bridge Pedestrian Path

Work continues to re-establish a route for non-vehicular users across Little Bay due to the emergency closure of the General Sullivan Bridge in 2018. The detailed change order includes concrete barrier, safety fencing, and approach construction.
